Richard J. Urban, Ph.D.

254 Louis Shores Building, School of Information
College of Communication and Information
Florida State University, Tallahassee, FL 32306-2100
rurban@fsu.edu   http://chi.cci.fsu.edu

Education

PhD, Library and Information Science, University of Illinois at Urbana-Champaign, May 2012

> *Dissertation Title:* Principle Paradigms: Revisiting the Dublin Core 1:1 Principle

> *Committee:* Dr. Michael B. Twidale, Chair; Dr. Allen H. Renear, Director of Research; Dr. Carole L. Palmer; Dr. Jonathan Furner

MS Library and Information Science, University of Illinois at Urbana-Champaign, May 2006

MA History with Certificate in Museum Studies, University of Delaware, May 1997

BA History with Honors, Pennsylvania State University, May 1993

Research Areas

My research interests include knowledge organization for cultural heritage materials with a focus on metadata, ontology development, and descriptive standards for cultural heritage collections; the use and users of cultural heritage information (including cultural heritage professionals); and human-computer interaction and user experience in cultural heritage settings.

Teaching

Florida State University, School of Information (2012 – present)

> Professor – LIS4351 User Experience Design (2015)
>
> Professor – LIS5275 Usability Analysis (2014, 2015)
>
> Professor – LIS5405 Leadership in IT (2014)
>
> Professor – LIS5472 Digital Libraries (2013)
>
> Professor – LIS5590 Museum Informatics (2012-2015)
>
> Professor – LIS5703 Information Organization (2012, 2014, 2016)
>
> Professor – LIS5786 Information Architecture   (2013-2015)

University of Illinois at Urbana-Champaign, Graduate School of Library and Information Science (2008-2011)

> Instructor – LIS490MUL Museum Informatics
>
> Instructor – LIS310 Computing in the Humanities
>
> Graduate Teaching Assistant – LIS 502LE Libraries, Information, and Society

University of Denver, College of Education, Library and Information Science Program (2005)

> Adjunct Faculty – LIS 4700 Special Topics: Collaborative Digitization.

Collaborative Digitization Program Workshops, 2002-2006

> Instructor -- Introduction to Digitization; Project Management; Digital Imaging; Digital Audio; Dublin Core Metadata; Quality Control for Digital Imaging

University of Delaware, Department of History, 1995-1996

> Graduate Teaching Assistant, United States History to 1860
>
> Graduate Teaching Assistant, Western Civilization 1648 to Present
>
> Graduate Teaching Assistant, United States Since 1945

Academic Experience

Assistant Professor, School of Information, Florida State University, December 2011-present

Adjunct Professor, University of Denver, College of Education, Library and Information Science Program, 2005

Professional Experience

Graduate Research Assistant. IMLS Digital Collections and Content Project: Collection/Item Metadata Relationships Group, September 2007 – 2009

> Participates in ongoing research to characterize relationships between item-level and collection-level metadata.

Project Coordinator, Metadata for You & Me: A Training Program for Shareable Metadata, University of Illinois Library, September 2006- February 2009

> Coordinates workshop schedules and facilitates creation of training materials. Assists principal investigators with management of grant activities. Responsible for maintenance of project websites and development of WebCT course modules. http://images.library.uiuc.edu/projects/mym.

Metadata Ecologist, WILL Radio/TV, University of Illinois at Urbana-Champaign, June 2006 – August 2006

> Conducts assessment of information workflows for public broadcasting. Develops recommendations for metadata standards and content management systems implementation.

Graduate Assistant, Illinois Digitization Institute, University of Illinois Library, October 2005 – August 2006

> Conducts evaluation of IDI workshops. Participates in ongoing IDI workshops related to digital audio best practices. Assists with management of IDI websites.

Graduate Research Asst., ECHO Depository Project, University of Illinois at Urbana-Champaign, June 2005- August 2006

> Assists in the evaluation of digital repository systems, including DSpace, Fedora, EPrints and Greenstone. Develops training materials for OCLC Web Archives Workbench. Assists project partners submit content for repository evaluation. Participates in the development and evaluation of METs profiles for digital preservation workflows.

Operations Coordinator, Collaborative Digitization Program, Denver, CO, March 2002-June 2005

> Responsible for day-to-day management of the Collaborative Digitization Program (formerly the Colorado Digitization Project) grant projects. Served as liaison between grant recipients and Executive Director. Contributed to grant writing and strategic planning. Collaborated with museum and library professionals to maintain the *Western States Digital Imaging Best Practices*, *Dublin Core Metadata Best Practices*, and *Digital Audio Best Practices.* Consulted with participants and partners on digitization of museum and library collections. Conducted training related to CDP activities. Responsible for content management of project web sites at www.cdpheritage.org

Web Site Coordinator, Historical Society of Pennsylvania, Philadelphia, PA, March 2000- March 2002

> Responsible for development of technology plans and budgets in collaboration with President and staff committees. Coordinated technology purchases and outsourced technology support. Administered Society technology assets. Provided technical and desktop application support for a forty-user workgroup. Responsible for design and development of the Society's website at www.hsp.org.

Assistant Curator, Historical Society of Delaware, Wilmington, D, May 1997- March 2000

> Team member for the development and installation of the permanent exhibition *Distinctively Delaware*. Coordinated the design and implementation of web-based intranet and educational multimedia kiosks. Wrote scripts and developed content for educational kiosks. Maintained the Society's online presence at www.hsd.org.

Library Technician, Smithsonian Institution Libraries, Washington, D.C. , November 1993 – June 1995

> Managed and maintained Gift and Exchange records. Programmed new database search tools for dBase III. Created new statistical reports using database records. Responded to correspondence from international exchange partners. Responsible for ordering serial and monograph titles using NOTIS library system.

Junior Fellow, Library of Congress, Manuscripts Division, Washington, D.C., June 1993 – August 1993

> Responsible for the processing of personal papers and corporate records. Assisted in the creation of archival finding aids for processed collections.
